## Aims & Scope

*Journal of Benefit-Cost Analysis* (JBCA) uniquely focuses on the theory and practice of benefit-cost analysis and related evaluation methods. The journal publishes theoretical and empirical investigations and case studies in applied welfare economics, law, and policy when they utilize or are relevant to benefit-cost analysis, cost-effectiveness analysis, risk-benefit analysis, and related analytical tools. The JBCA is sponsored by the Society for Benefit-Cost Analysis, an international organization of scholars and practitioners committed to improving benefit-cost analysis.

## Submit your Papers!
